

SAMUEL SMITH'S ORGANIC CIDER

355ML

Samuel Smith Brewery, established in 1758 in Tadcaster, North Yorkshire, is one of the oldest and most renowned breweries in England. Known for its traditional brewing methods and commitment to quality, Samuel Smith's produces a range of beers and ciders using high-quality ingredients and historic brewing techniques. The brewery operates with an emphasis on sustainability and local sourcing, using its own well water and maintaining traditional brewing methods.

One of their notable products is Samuel Smith's Organic Apple Cider. This cider is made from organically grown apples, offering a pure and natural flavor profile. It is well-regarded for its crisp, refreshing taste with a balance of sweetness and tartness, making it a popular choice for cider enthusiasts seeking an organic option. The cider is gluten-free and certified by the USDA National Organic Program, reflecting the brewery's dedication to organic and sustainable production practices.
