

# CHÂTEAU THÉBAUD 2010, DOMAINE POIRON DABIN

---

Domaine Poiron Dabin has a long history with wine, where the family has worked with wine-production since 1858. Today the family owns 69HA of vineyards in Loire which includes their stunning Muscadet terroir. They are also verified in Terra Vitis meaning that this manufacturer takes as much care of the vineyards as the surrounding area.

Château Thébaud has an exceptional vineyard where the terroir is made of dry granite "Granodiorite à biotite et hornblende", making the Muscadet very fruity in taste. Muscadet Thébaud 2010 is also a quite unique wine because of its very long aging period on the lees, namely 70 months!

The wine has a very light, gorgeous pale golden color. With its dry, powerful and generous character, this wine will surprise you with the flavors of salted caramel, tropical fruits, yellow apples and citrus. Complex and with its clear fruity notes, Muscadet Thébaud has a pleasant lingering that is not too long.

## FOOD AND WINE PAIRING

This refined wine is well paired with seafood and fish, but also for veal. It is also compatible with cheesecake.
