

## ELEPHANT SLOE GIN

---

Elephant Sloe Gin blends the award-winning Elephant London Dry Gin with handpicked sloe berries, which macerate in the gin for several months, allowing their rich, natural sweetness and complexity to fully develop. The result is a refined balance of deep berry flavours and subtle spice, without being overly sweet.

Inspired by Africa's wildlife and nature, Elephant Gin donates 15% of its profits to elephant conservation. The distillery focuses on sustainability, using high-quality ingredients and traditional distillation methods to create distinctive and premium spirits.

Elephant Sloe Gin boasts a deep ruby-red colour and an enticing aroma of dark berries, almonds, and a touch of vanilla and spice. The taste is rich and fruit-forward, featuring notes of sloe berries, ripe cherries, and blackcurrants, complemented by delicate hints of cinnamon, juniper, and a subtle, warming spice on the finish. The texture is smooth and velvety, with a refreshing character that makes it versatile for both cocktails and neat sipping.
