Dangerously Close to Stupid Passionfruit is an Imperial IPA with dangerous amounts of Passionfruit, brewed with an dangerous amounts of care & passion for the series

You know how To Øl love their DIPAs. And dangerously close to stupid is one of their favourite beers to update and experiment with. So far we've introduced you to Kiwi, Papaya, Guava, Peach and the crowd favourite - Mango.

Now please meet our latest additions: Passionfruit!

DCTS Passionfruit for short, is the tart addition to the series. Super acidity brightness cuts through the slight malty notes characteristic of the series, with heavy hitting, sweet fruity notes coming through at the end.
