

KROMBACHER WEIZEN 50CL CAN

The superior taste of German Weizenbier. Brewed with naturally soft Felsquellwasser, with 100% blend of naturally malt from 2-Row summer brewing barley and wheat alongside the finest Hallertau Siegel hops.

The beer has a naturally cloudy, refreshingly sparkling wheat beer with soft and sweet aromas reminiscent of honey and banana. Fresh, full-bodied and complex on the palate with a restrained bitterness that leads to a fruity finish. A wonderful weizen for a relaxing garden time-out or for the dinner table.

About the brewery:

From a small homebrewery to the largest privately owned brewery in Germany, Krombacher has been family-owned for generations since its beginning in 1803. The brewery is also considered to be one of the most modern breweries in Europe. Krombacher aims to always brew beer of the highest quality, and thus every beer has been brewed exclusively with the best natural ingredients with precision and attention to the smallest details. Krombacher's passion for beer is the basis of what they do, and they are proud of their brewing art, which everyone has given their best to for generations.
