

KROMBACHER PILS 33CL

On the nose, Krombacher Pils provides an abundance of fruity hop aromas, which give way to a beautifully balanced malt backbone on the palate. Fresh and smooth, the famous Felsquellwasser and Hallertau hops ensure the beer is crisp, clean, and offers a refreshing, long-lasting light bitter finish. Naturally flavoured.

About the brewery:

From a small homebrewery to the largest privately owned brewery in Germany, Krombacher has been family-owned for generations since its beginning in 1803. The brewery is also considered to be one of the most modern breweries in Europe. Krombacher aims to always brew beer of the highest quality, and thus every beer has been brewed exclusively with the best natural ingredients with precision and attention to the smallest details. Krombacher's passion for beer is the basis of what they do, and they are proud of their brewing art, which everyone has given their best to for generations.
