

VOCATION LOVE & HATE

Vocation Love & Hate is a juicily crushable, unapologetic, murky New-England India Pale Ale.

Love & Hate is brewed with extra pale ale malt with a combination of speciality malts to provide a smooth silky texture. An authentic Vermont yeast strain and a big dose of oats work together with a triple dry-hopping process to create beautiful aromas and a silky mouthfeel. Love & Hate uses two extremely popular hops Citra & Galaxy hops. Citra Cryo is used in the whirlpool at 75c to impart a smooth hop flavour. The beer is then dry hopped during fermentation with Galaxy and Citra.

True to the style of NE style beers, the hazyness comes from the large amount of protein from the grist - achieved with a big dose of oats and wheat.

An unconventional; uncompromising NEIPA that you will love or hate.
