

GORDON XMAS

Gordon Xmas is a seasonal Scotch Ale produced by Brewery John Martin & Brewery Timmermans in Belgium. This festive beer has an alcohol content of 8.8% and is characterized by its dark brown color and rich, full-bodied flavor profile. It offers notes of caramel, malt, and nuts, providing a warming experience ideal for the holiday season.

Brewery John Martin, established in 1909 by British master brewer John Martin, has a long-standing tradition of crafting high-quality beers. Over the years, the brewery has expanded its portfolio to include a variety of styles, often collaborating with other renowned breweries. Their commitment to quality and innovation has made them a respected name in the Belgian beer industry.
