

# STORMTROOPER SHADOW STOUT

---

Don't be afraid of the dark ... This robust, strong, rich and aromatic beer is velvet black in color with vanilla and coffee notes, from the unique blend of carefully roasted malts. Resulting in a smooth and creamy chocolate flavor, together with a satisfying bittersweet aftertaste.

A deliciously menacing ale from the darkside.

## FOOD AND WINE PAIRING

Rich foods, steak pie, stews, BBQ and more
