

## KROMBACHER WEIZEN NON-ALCOHOLIC 33CL

Krombacher Weizen Alkoholfrei delivers the classic taste of a traditional German wheat beer – just without the alcohol. Using only natural ingredients and Krombacher's unique brewing process, it retains its full-bodied character, fresh fruitiness, and smooth mouthfeel, making it the perfect alcohol-free alternative for any occasion.

Krombacher Brauerei is one of Germany's most respected breweries, known for its dedication to quality and brewing traditions. Since 1803, they have combined natural ingredients, such as crystal-clear mountain spring water from Siegerland, with modern technology to produce premium beers – including exceptional alcohol-free options.

Krombacher Weizen Alkoholfrei pours a bright golden-orange color with a creamy white head. The aroma is filled with ripe bananas, cloves, and a touch of citrus. The taste is smooth and fruity, with a natural wheat sweetness, mild spice notes, and a refreshing finish that keeps it light and well-balanced.
