

VOCATION HOP, SKIP & JUICE

Brewed in collaboration with Marble brewery. A beer that makes your lips and mouth water, but also jump around. This tropical pale ale is bursting with juice and filled to the brim with a feel-good flavor. Beers like this one are the reason we jump out of bed and in the morning.

Dive into citrusy Simcoe and delicate drops of Citra, complete with a soft and juicy finish. A great aroma of light malt, grapefruit, passion fruit with hints of tropical stone fruit.
