

TIMMERMANS LAMBICUS KRIEK BLACK PEPPER

Timmermans Brewery, established in 1702, is one of the oldest lambic breweries in Belgium, located in the town of Itterbeek. Renowned for its expertise in crafting traditional lambic and gueuze beers, Timmermans combines centuries-old brewing methods with innovative techniques to produce a wide range of unique and flavorful beers. The brewery is celebrated for its commitment to preserving the authentic Belgian beer heritage.

Timmermans Kriek & Black Pepper is an innovative and bold fruit lambic that combines the traditional cherry flavors of kriek with the unexpected spice of black pepper. This unique blend offers a complex and intriguing taste experience, where the sweet and tart notes of ripe cherries are beautifully balanced by a subtle peppery kick. The result is a refreshing yet spicy beer with a harmonious finish, perfect for those looking to explore new flavor combinations in craft beer.
