

## MOSCATO PERLE

---

Perfume like fragrance with hints of muscat, light bodied with sparkling and dazzling fruit palate with honeysuckle, green grapes and citrus tones with ripe peach nuances.

The Seven Sister wine brand evolved its association with the seven Brutus sisters of Paternoster. The Brutus family lived in a small fishing village on the Western coast. The Brutus sister and their baby brother left the tranquility of their sleepy town at a very early age when the family was evicted from their home. They yearned to return but were not able to do so given the unfavorable circumstances of the time.

Nevertheless, today we celebrate sisterhood and family!
