

LEIBWÄCHTER

Leibwächter is an off-dry herbal bitter, produced in Austria. The bitter elixir is made from 58 cold macerated herbs and has 35% alcohol by volume. The most valuable herbs from all over the world are processed into a unique elixir by cold maceration, a very gentle process to extract the essence of these high-quality herbs. Leibwächter has a low sugar level and is therefore the perfect alternative to sweeter herbal liqueurs.

Aroma: Bitter and aromatic herbal notes

Taste: Herbal bitter liqueur with spicy and refreshing taste, in which the herbs are perfectly balanced
