

TO ØL 45 DAYS PILSNER 30L KEYKEG

45 days Pilsner is at To Øl's new Pilsner from To Øl City. The name comes from the fermentation process.

The slower the fermentation, the better a pilsner tastes. To Øl took no risk and decided to ferment and mature their pilsner for no less than 45 days. It would be a sin to rush it after all. Enjoy all the crisp complexity that belongs in the golden lager that we all love, and enjoy it even more, knowing it was only made with the highest respect and admiration for the style.
