

CHERRY CHOUFFE

Cherry Chouffe is a red specialty beer. It is made like a Belgian blonde ale only with added cherries. It has a glowing red color with fruity flavor. Smell of cherry and wheat malt with a subtle Belgian yeast.

"The gnomes love Achouffe beers. But they also appreciate the juicy cherries that grow in their country of fairies. This year, the CHOUFFE gnomes gathered the cherries and stored them in the brewery loft. The old ceiling collapsed under the weight of the fruit. The cherries fell into a barrel of Mc CHOUFFE that was being prepared. The mischievous gnomes said nothing about it. "Surprised to discover a glowing red beer with a fruity taste, the Master Brewer finally decided to transfer it to barrels."
