

## MARSTON'S OLD EMPIRE IPA

---

Old Empire IPA is a memorable and easy-drinking IPA. This is an authentic recreation of the classic English IPA style created for the British Empire. Goldings, Fuggles and American Cascade are added for bitterness. Together they combine a sharp earthy, floral citrus aroma to the beer. The yeast gives a fruity character to the taste, which in contrast to the earthy English hop additives creates a balance between the malt and hops which gives a more rounded taste. Well-balanced IPA with a bittersweet finish.
