

# LUNA

---

Luna is complex, juicy and fresh but with a real poise. Aromas of red berries are met with a hint of forest, a slight tartness and a layered palate with gentle tannins.

By using flavours and techniques connected to a culinary sphere, Muri drinks are an ideal companion to a plate of food. A progressive take on the traditional wine pairing.

Serve slightly chilled in a wine glass.

*Ingredients:* Fermented blackcurrant piquette, red currant, French oak-aged kombucha, sloe berries, chamomile kefir, fig leaf & pine kvass.

## FOOD AND WINE PAIRING
